

# LYC-O-MATO<sup>®</sup> Tomato Lycopene Complex

*Beauty from Within*

# Beauty from Within

## Benefits

### Sun Care

- Enhances the body's natural defenses against environmental stress
- Extra protection against photo oxidation
- Reduces free radical activity which can lead to premature aging of the skin
- Helps reduce UV-induced skin reactions

### Skin care

- Promotes younger looking skin
- Helps maintain skin firmness and elasticity
- Supports healthy skin

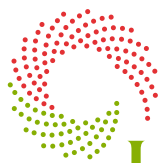

## Applications

- Sun protection
- After sun
- Self-tanning
- Skin health

## Why LycoRed?

- World leader in tomato lycopene formulations for the beauty industry
- Quality guaranteed from cultivation through formulation
- Provides ongoing technical support
- Supports scientific research on health benefits of Lyc-O-Mato®
