

LycoRed

Microencapsulated Nutrients

CapsuDar® brand nutrients from LycoRed are microencapsulated to protect ingredients and increase functionality.

Benefits of microencapsulation

- Reduces overages
- Protects against oxidation
- Prevents ingredient cross-interactions
- Increases stability/shelf-life
- Masks unwanted taste and odor
- Reduces hygroscopicity
- Slow/controlled release

Features

- Tablet grade
- Gelatin-free beadlets
- Formulated to meet local regulatory requirements
- Includes LP Product Line, approved for use in all major markets (US, EU, Japan)*
- Custom formulations available

*Contact LycoRed for more information on the LP Product Line

Applications

- Tablets
- Capsules
- Powdered drinks
- Nutritional bars
- Functional foods

Creating innovative nutrition

LYCORED®

Microencapsulated Nutrients
